CARPETS

#	size	colour
2	4' X 8'	charcoal
2	5' 7" X 6'	charcoal - drum kit size
2	8' X 8'	charcoal
1	8' X 12'	charcoal

There is also grey carpet for the orchestra pit. Usually only the centre section of the pit is covered, 12' X 36'. To carpet the entire pit takes approximately 2 person hours, and it must be taped down with gaffer tape.

We also have an assortment of rubber mats for covering cable races.

CHAIRS & TABLES

#	Description
88	General purpose chairs, contoured plywood with blue upholstered seats.
298	Lightweight cabaret chairs, black frames with dark red upholstered seats and backs, for use by choirs or Studio audience seating
60	Black padded Wenger musician chairs
8	Bar stools, all painted black, with semi-gloss finish.

An assortment of stools and small tables in varying shapes and sizes

OTHER FURNITURE

# avail	Description
3	Lecterns, one oak and two clear lexan with outlets for lights and microphones.
8	Black book flats that can be used to erect Quick Change Booths, both stage left and right.
1	Ballot drum with rolling table

ORCHESTRA PIT LIFTS

Standard Operating height of the pit is 84" below stage level.
Chairs, stools, and music stands as required.

Conductor's podium and stand

Music stand lights as required

Black masking across downstage wall of pit

White background for conductor

Carpets for percussion, brass, woodwinds, or entire pit floor

Chairs, tables for instrument cases, etc.

Black curtains upstage of pit

Camera for house CATV on conductor

Intercom for conductor and stage management

Note: the house pit set-up can involve some or all of the above elements and can represent 1-2 person hours during the set-up and again during the load out.

MUSICAL & ORCHESTRAL PIT EQUIPMENT

***NOTE:* There is a rental charge for the piano**

- 1 Steinway, Series D
- 1 Adjustable piano bench (black)
- 1 Non-adjustable padded piano bench (black)
- 63 Wenger Roughneck black music stands
- 48 Incandescent music stand lights
- 1 Conductor's stand
- 1 Conductor's podium

CLEANING EQUIPMENT

Assorted string mops and ringer, buckets, dry mops, brooms and vacuums.

Assorted cleaning aids and solutions

NOTE: The stage floor is normally cleaned before each performance with a non-residual cleaning agent.

DANCE FLOOR

The dance floor is Roscofloor Black / Grey, 12 panels 63" x 32'. This will provide a floor approximately 32' deep x 63 ' wide with seams running up and down stage or 42' deep x 42" wide with the seams running up and down stage and 2 widths of dance floor across upstage. Tape for the floor is black cloth gaffer tape.

Note: There is a rental charge for the dance floor as well as a charge for tape.

KITCHENETTE

A kitchenette counter with sink is located immediately outside the stage door - downstage right

Free counter space approximately 2' x 4' plus suspended "hospitality" table that can lay flat to clear hallway.

4 - 15 amp electrical circuits are located above the counter for coffee makers, hot-plates, etc.

Wardrobe

The wardrobe is located on the lower level (same level as chorus dressing rooms, pit and green room)

Wardrobe trucks can load directly onto elevator when necessary

LAUNDRY

Description of item
